

# Building & Safety Employee Spotlight is on.....

## PETE ROUCH

### CONGRATULATIONS!!!

Pete Rouch is a Building Inspector for the City of Rancho Cucamonga. As an employee for over eight years, Pete brought with him experience as an ACI certified Concrete Technician, as well as an ICC special Inspector Certification in Structural Masonry, Steel and Concrete.

His most recent accomplishment was completing the grueling International Code Council (ICC) Commercial Mechanical Inspection examination process and successfully passing to be granted his certification in Commercial Mechanical Inspection for the state of California.

Great job Pete, and a “Kudos” for a job well done!!
