Fingerprinting is required for City volunteers with supervisory or disciplinary authority over any minor per Section 5164 of the Public Resources Code. The Community Services Department (CSD) staff coordinates fingerprinting requirements with the City's Personnel Department. A Live Scan fingerprinting process is initiated and funded by the City (Administrative Services Department), and administered by the City's Police Department, CSD and the California Department of Justice (DOJ). The DOJ determines a volunteer applicant's status of eligibility. Confidential background reports are then communicated to the City by DOJ and must be handled in accordance with the State Privacy Act.
